

103 A Sa B

The traditional pilot chronograph with blue and silver electroplated dial.

- Limited edition to 500 units
- Case made of stainless steel, polished
- Ar-Dehumidifying Technology enhances functional reliability and freedom from fogging
- Captive pilot's bezel with minute ratcheting
- Sapphire crystal glass
- Transparent back made of sapphire crystal glass
- Blue and silver electroplated dial, UV resistant
- Pressure-resistant to 20 bar
- Low pressure resistant

The classic pilot chronograph is limited to 500 units and boasts a blue electroplated dial with sunburst decoration and silver electroplated counters.

The technological features of the watch demonstrate its suitability for everyday use. For example, Ar-Dehumidifying Technology guarantees increased functional reliability and freedom from fogging. The captive pilot's bezel with minute ratcheting features a luminous triangular main marker. Indices and the stopwatch hour, minute and seconds hands are coated with luminous paint, which enables perfect readability – even at night. The chronograph features a polished stainless-steel case and sapphire crystal glass, which is also used for the transparent back. The watch is resistant to low pressure, pressure-resistant up to 20 bar, shock-resistant and anti-magnetic.

Being an exclusive edition, the 103 A Sa B is limited to 500 units. To match the blue electroplated dial, the watch comes with a blue cowhide strap with alligator embossing and white contrasting stitching as well as an gray textile strap as part of a set in a fine case. This allows the wearer to change the strap to suit the occasion or purpose.

Technical details

Mechanical Movement

- Valjoux 7750
- Self-winding mechanism
- 25 bearing jewels
- 28,800 semi-oscillations per hour
- Seconds stop function
- Shock resistant as per DIN ISO 1413
