

104 St Sa A B E

The classic pilot watch.

Page 1 / 2 May 2024

- Limited to 1,000 pieces
- · Case made of stainless steel, polished
- · Dark-blue dial, with sunburst decoration
- · Ivory-coloured coating on the indices, hands and numerals
- · Captive pilot's bezel with minute ratcheting
- · Sapphire crystal glass on both sides
- · Pressure-resistant up to 20 bar
- · Resistant to low pressure

The 104 St Sa A B E model is distinguished by its dark-blue dial with sunburst decoration. This elegant colour complements the anodised aluminium pilot's bezel. It imparts a special charm to this limited-edition timepiece (limited to 1,000 units) from the range of classic pilot watches. We have attached the pilot's bezel securely to the polished stainless-steel case. As a harmonious contrast to the blue colouring of the dial and pilot's bezel, the indices, hands and numerals have an ivory coating – a colour accent that immediately invokes memories of historic pilot watches.

In its overall appearance, however, the 104 St Sa A B E still conveys a modern impression, including through its functional character. Accordingly, it is resistant to low pressure and pressure-resistant up to 20 bar.

The stylistic 'Eine von 1000' (one of 1,000) limited-edition marking on the rotor complements the watch perfectly.

The 104 St Sa A B E model comes with two canvas leather straps.

Technical details

Page 2 / 2 May 2024

Mechanical Movement

- SW 220-1
- · Self-winding mechanism
- · 26 bearing jewels
- 28,800 semi-oscillations per hour
- Seconds stop function
- Anti-magnetic as per DIN 8309

Case

- · Case made of stainless steel, polished
- Sapphire crystal glass in front, anti-reflective on both sides
- · Transparent case back made of sapphire crystal glass, anti-reflective on the interior
- · Case back screw-fastened
- · Crown screwable
