

256 Ty

The universal chronographs.

- Case made of stainless steel, bead-blasted
- Sapphire crystal glass
- Tachymeter scale
- Pressure-resistant to 20 bar (= 200 m water depth)
- Low pressure resistant

Those who don't want to give up the advantages of our great chronographs but would like a smaller case will love the Model 256 series, which has a diameter of 38.5 mm. The driving force behind the 256 series is the proven Valjoux 7750 automatic movement.

Our model 256 Ty is perfect for those who love fast cars. The classic tachymeter scale – originally designed for setting the automobile tachometer for calibration routes set up especially for that purpose – is engraved on the stainless steel outer ring and facilitates speed measurements from 60 km / h to 500 km / h.

Technical details

May 2024

Mechanical Movement

- Valjoux 7750
- Self-winding mechanism
- 25 bearing jewels
- 28,800 semi-oscillations per hour
- Seconds stop function
- Shock resistant as per DIN ISO 1413
- Anti-magnetic as per DIN 8309

Case

- Case made of stainless steel, bead-blasted
- Sapphire crystal glass in front, anti-reflective on the interior
- Case back screw-fastened
- Crown screwable
- Meet the technical requirements for waterproofness, as set out in standard DIN 8310
- Pressure-resistant up to 20 bar (= 200 m water depth)
- Low pressure resistant

Functions

- Hours, minutes, subsidiary seconds
- Date display
- Day of the week display
- Chronograph
- Tachymeter scale

Dimensions and Weight

- Case diameter: 38.5 mm
- Band lug width: 20 mm
- Case thickness: 14.5 mm
- Weight without strap: 76 gramme

Dial and Hands

- Matte black dial
- Numbers and indices coated with luminescent colour
- Hour and minute hand coated with luminescent colour

Warranty

- 2 years
