The Frankfurt Financial District Watch.

- Case made of stainless steel, polished
- Display of two time zones on a 12-hour basis
- Sapphire crystal glass
- Transparent case back made of sapphire crystal glass
- Pressure-resistant to 10 bar (= 100 m water depth)
- Low pressure resistant

The Frankfurt Financial District Watch 6033 is ultra-modern with regard to its technical sophistication and the spirit of the times it embodies. It is shock-resistant, anti-magnetic, water-resistant, pressure-resistant to 10 bar and low pressure resistant. Moreover, with its two time zones it fits ideally into the world of global financial markets. This watch is an aesthetic masterpiece of watchmaking. As progressive as people purport to be, they are always fascinated by fine craftsmanship and delicate mechanics. They are still attracted by quality they can practically feel just looking at the watch. The watch is a commemoration of timeless quality and value in an accelerating world that appears to be in a continuous state of change.

The Frankfurt Financial District Watch brings back the feeling of time, because it facilitates time measurement across continents. It is perfectly designed with outstanding craftsmanship, equipped with practical and sophisticated technical features and distinguished by individual characteristics such as the case diameter (34 mm) and overall height (10.3 mm) to ensure wearing comfort.

Technical details
