

HUNTING WATCH 3006

The chronograph with moonlight display.

- Winner of the 'Excellent Product Design 2020' at the German Design Award
- Case made of stainless steel, satinized
- Case with TEGIMENT Technology, particularly scratch-resistant
- Ar-Dehumidifying Technology ensures greater functional reliability and freedom from fogging
- Sapphire crystal glass on both sides
- Moonlight display at 6 o'clock
- 24-hour display with integrated day and night display
- Centre-mounted date hand
- Weekday and month display
- Water-resistant and pressure-resistant to 20 bar
- Low pressure resistant

Moonlight stalking with the HUNTING WATCH 3006. The HUNTING WATCH 3006 is the first of our watches to feature this extraordinary complication. The moonlight display has been purposefully positioned at 6 o'clock, with a luminous moon symbol to ensure it is easy to see, even in the dark. The story behind this additional function: hunters not only need a clear, open view for a successful hunt; they also need the right light. Hunters refer to the right lighting conditions for stalking as good hunting light. The German federal hunting law (Bundesjagdgesetz) prohibits the practice of hunting with the aid of artificial light sources (section 5, § 19, paragraph 5 a). In order to be able to hunt the authorised types of game at night-time, there must be adequate natural lighting from the moonlight. The moonlight display on the HUNTING WATCH 3006 shows when the moon is shining bright enough to see and catch the game.

Technical details

Mechanical Movement

- *The information on the mechanical movement corresponds to the current production situation in Frankfurt am Main. Due to technical changes, it may happen in individual cases that stock items of our sales partners deviate from this information.*
[\(further Information\)](#)

- Concepto C99002
- Self-winding mechanism
- 25 bearing jewels
- 28,800 semi-oscillations per hour
- Seconds stop function
- Anti-magnetic as per DIN 8309

Case

- Case made of stainless steel, satinized
- Sapphire crystal glass in front, anti-reflective on both sides
- Transparent case back made of sapphire crystal glass, anti-reflective on the interior
- Case back screw-fastened
- Crown screwable
- Meet the technical requirements for water-resistance, as set out in standard DIN 8310
- Water-resistant and pressure-resistant to 20 bar
- Low pressure resistant

Functions

- Hours, minutes, subsidiary seconds
- Chronograph
- Moonlight display
- 24-hour display
- Centre-mounted date hand
- Day of the week display
- Month display
- Scale for displaying a quarter of a second for short-time measurement

SINN Technologies

- TEGIMENT Technology, therefore especially scratch-resistant
- Ar-Dehumidifying Technology, enhances functional reliability and freedom from fogging
- Push-pieces with D3-System

Dimensions and Weight

- Case diameter: 44 mm
- Band lug width: 22 mm
- Case thickness: 15.5 mm
- Weight without strap: 107 gramme

SPEZIALUHREN ZU FRANKFURT AM MAIN
