### PART C – INFORMATION

#### General Information

The General Terms and Conditions apply. Our General Terms and Conditions and all other information pertaining to the service process can also be found on our website [www.sinn.de](http://www.sinn.de).

#### Excerpt from the General Terms and Conditions

##### § 13 Servicing, repairs

[...] 13.2 For servicing and repair orders that are not issued under the statutory warranty, a cost estimate will be submitted and the Customer's consent will be obtained to carry out the relevant work. The fee for preparation of the cost estimate is EUR 20.00 including VAT, plus shipping costs. This amount will be counted towards the invoice amount in favour of the Customer if the order is fulfilled. [...]

##### § 12 Warranties

[...] 12.2 Furthermore, a lifetime warranty is provided on all services performed by us (including but not limited to repairs). This warranty for services refers exclusively to the work performed and parts replaced. The warranty period for services is two years from notification of readiness to ship or return the watch to the Customer. [...]

[...] 12.5 Excluded from the warranty on new goods and services are:

- Damages caused by improper use of the watch – in particular, damages caused by impact or shock.
- Damages caused by improper repairs carried out by parties other than Sinn.
- Normal wear and tear – in particular, on watch straps and watch cases.
- Loss of water resistance in the case of water-resistant watches, 24 months after the purchase date.
- Repairs made under warranty and implied warranty as well as goodwill repairs.

Also excluded from the warranty on services are:

- Older watches that cannot be restored to complete working order. [...]

#### Shipping Costs

Additional costs will be incurred for delivery and return shipment depending on the shipping address.

Shipping costs one way:
