PART D – INFORMATION

General Information

The General Terms and Conditions apply. Our General Terms and Conditions and all other information pertaining to the service process can also be found on our website www.sinn.de.

Excerpt from the General Terms and Conditions

§ 12 Servicing, repairs

[...] 12.2 For servicing and repair orders that are not issued under the statutory warranty, a cost estimate will be submitted and the Customer's consent will be obtained to carry out the relevant work. The fee for preparation of the cost estimate is EUR 20.00 including VAT, plus shipping costs. This amount will be counted towards the invoice amount in favour of the Customer if the order is fulfilled. [...]

Warranty statement for repairs

In addition to the statutory warranty we, Sinn Spezialuhren GmbH, Wilhelm-Fay-Straße 21, 65936 Frankfurt am Main, also provide a warranty of durability for the services we provide as part of our watch repair service. The warranty for services only relates to the work carried out and the parts replaced.

The warranty is valid worldwide, and the warranty period for the service is two years from notification that the watch is ready to collect or from the date the watch is returned to you.

If you wish to make a warranty claim, we will repair the watch for you at no additional cost.

Warranty claims are excluded in the event of damage caused by:

- Improper use
- Repairs or attempted repairs which were not carried out by us or our authorised partners. A list of authorised partners can be found in the Sales and Service Partners menu on our website www.sinn.de.
- Signs of wear and tear, especially to straps
- The use of force (blows, knocks, impact)

Repairs not carried out by us, repair services within the scope of the warranty and the statutory warranty and repairs carried out as a gesture of goodwill are also excluded from the warranty. Please inform us - Sinn Spezialuhren GmbH, by phone +49 (0) 69/97 84 14-400 or email kundendienst@sinn.de - as soon as you are aware of the potential warranty claim so as to avoid further damage. In order to approve the warranty, we will need the watch and the repair receipt (invoice) with a detailed description of the damage.

In the event of a warranty claim, we will bear the costs of sending and returning the watch as well as the transport risk, provided that the transport is carried out by the transport company specified by us and the watch has been securely packaged. Please contact us by phone +49 (0) 69/97 84 14-400 or email kundendienst@sinn.de. Otherwise, as the customer, you will bear the costs of the shipment and the transport risk.

SPEZIALUHREN ZU FRANKFURT AM MAIN

SERVICE PRICE LIST GERMANY

Valid from 01.04.2023

All prices are gross and include VAT. These prices remain valid until a new price list is published.

Any costs incurred for customs duties, import duties and other fees to return the watch to the recipient country must be borne by the recipient.

We provide this warranty in addition to your existing statutory rights for defects. These rights are not restricted by the warranty and they can be exercised free of charge.

Shipping Costs

Additional costs will be incurred for delivery and return shipment depending on the shipping address.

Shipping costs one way:

Region	Spare parts	Watches	With UPS return shipping label
