

103 St Sa E

The traditional pilot chronograph.

- Limited to 300 pieces
- Case made of stainless steel, polished
- Ivory-coloured coating on the indices, hands, numbers and key mark
- Captive pilot's bezel with minute ratcheting
- Optionally: Ar-Dehumidifying Technology for enhanced freedom from fogging
- Sapphire crystal glass
- Transparent back made of sapphire crystal glass
- Pressure-resistant to 20 bar
- Low pressure resistant

The classic pilot watches in series 103 are amongst the most traditional watches to be developed by our company. Their aesthetic design was and remains style-defining.

The 300-piece limited-edition 103 St Sa E is reminiscent of historical pilot watches with its luminous ivory-coloured coating on the hands, numerals and indices. Although classic in appearance, this SINN watch is every bit contemporary thanks to its high-tech features. For example, the 103 St Sa E has a captive pilot's bezel with minute ratcheting, which is securely attached to the polished stainless-steel case. It is resistant to low pressure and can withstand pressures of up to 20 bar. The crystal and transparent back are made of curved sapphire crystal glass.

Technical details

Mechanical Movement

- Valjoux 7750
- Self-winding mechanism
- 25 bearing jewels
- 28,800 semi-oscillations per hour
- Seconds stop function
